Some of our Site(s) includes interfaces that allow you to connect with social networking sites (each a “SNS”). If you connect to a SNS through our Site you authorize us to access, use, and store the information that you agreed the SNS could provide to us based on your settings on that SNS. We will access, use, and store that information in accordance with this Notice. You can revoke our access to the information you provide in this way at any time by amending the appropriate settings from within your account settings on the applicable SNS.

**Other Information.** We may collect Other Information in a variety of ways, including:

- **Through Your Browser or Device:** Certain information is collected by most browsers or automatically through your device, such as your computer type (Windows or Macintosh), screen resolution, operating system name and version, device manufacturer and model, language, Internet browser type and version, and the names(s) of the RPLF Sites you are using.
- **Through Cookies and Other Similar Technologies:** Cookies are small pieces of data, stored in text files, that are stored on your computer or other device when websites are loaded in a browser. They are widely used to “remember” you and your preferences, either for a single visit (through a “session cookie”) or for multiple repeat visits (using a “persistent cookie”). Some of these cookies may be set when a page is loaded, others when a visitor takes a particular action. They ensure a consistent and efficient experience for visitors, and perform essential functions such as allowing users to register and remain logged in. We use essential cookies to provide you with services available through our Site(s). We use analytics and performance cookies to collect information about traffic to our Site(s) and how users use our Site(s). We use social media cookies when you share information using a social media site sharing button or action. We may use third parties to serve advertisements on other websites and HTML emails that may be of interest to you, based on information collected about your use of our Sites and other websites. To do so, these companies may place or recognize a unique cookie on your browser (including through the use of pixel tags and web beacons). RPLF does not recognize automated browser signals regarding tracking mechanisms, which may include ‘do not track’ instructions.

Ret.Pray.Love.Foundation also uses a web analytics service, currently Google Analytics. Google Analytics is a web analytics service provided by Google Inc.

("Google"). Google Analytics uses cookies and similar technologies to analyze how users use the Domains. The information generated about Domain usage (including your shortened IP address) is transmitted to Google in the U.S. This information is used to evaluate visitors' use of the Domain, compile statistical reports on Domain activity, and provide other services related to the Site and Internet use. Google may also collect information about Domain visitors' use of other websites. For more information about Google Analytics, or to opt out of Google Analytics, please go to: <https://tools.google.com/dlpage/gaoptout>.

- **By Aggregating Information:** Aggregated Personal Information does not personally identify you or any other user of the Sites (for example, we may aggregate Personal Information to calculate the percentage of our users who have a particular telephone area code).

**Managing cookies.** Visitors may wish to restrict the use of cookies or completely prevent them from being set. Most browsers provide for ways to control cookie behavior such as the length of time they are stored - either through built-in functionality or by utilizing third party plugins. If you disable cookies, please be aware that your experience may be diminished, and our website may not function correctly. Follow the instructions provided by your browser (usually located within the "settings," "help," "tools," or "edit" facility). Many browsers are set to accept cookies until you change your settings. Further information about cookies, including how to see what cookies have been set on your computer or mobile device and how to manage and delete them, visit [www.allaboutcookies.org](http://www.allaboutcookies.org). If you do not accept our cookies, you may experience some inconvenience in your use of our Site(s). For example, we may not be able to recognize your computer or mobile device and you may need to log in every time you visit our Site(s). Pixel tags. We may also use pixel tags (which are also known as web beacons and clear GIFs) on our Site(s) to track the actions of users on our Site(s). Unlike cookies, which are stored on the hard drive of your computer or mobile device by a website, pixel tags are embedded invisibly on webpages. Pixel tags measure the success of our marketing campaigns and compile statistics about usage of the Site, so that we can manage our content more effectively. The information we collect using pixel tags is not linked to our users' personal information. Do Not Track Signals. Some internet browsers may be configured to send "Do Not Track" signals to the online services that you visit. We currently do not respond to do not track signals. To find out more about "Do Not Track," please visit <http://www.allaboutdnt.com>.
